

## T135: TC-4.2 — Sidebar Mini Calendar Tooltip — displaying the Start time – End time range in 12h am/pm format after saving when hovering (range-time case)

### Test Labels

Status	Type	Priority	Estimate	
Failed	Functional	Low	None	
References	Automation Type	Is Automated		
None	None	No	<b>Test Case Labels</b>	

### Preconditions

1. The user is logged into the system at <https://example.medicalcrm.com> with the Admin role.
2. The user is on the "Calendar" page at <https://example.medicalcrm.com/calendar>.
3. The user has the "Edit Provider In Calendar" modal window open with a selected provider, date, interval, visit status, and location.
4. The "Start" field contains the value "7:00 am", and the "End" field contains the value "1:00 pm" (the values are selected but not yet saved).

### Steps

1	Click the "Save" button	The modal window closes, and the general calendar with provider cards and the sidebar is displayed
2	Find the "Sidebar Mini Calendar" and hover over the selected date	Next to the selected date, after the provider's name in the tooltip, the time range "7:00 am – 1:00 pm" is displayed

### Results

Failed	<i>This test was marked as 'Failed'.</i>
Yaroslav O. 12/10/2025 3:41 PM	Steps
Defects BG-MG-1001.4	<p>1 Click the "Save" button</p> <p>Expected Result</p> <p>The modal window closes, and the general calendar with provider cards and the sidebar is displayed</p>

?

Find the "Sidebar Mini Calendar" and hover over the selected date

---

**Expected Result**

---

Next to the selected date, after the provider's name in the tooltip, the time range "7:00 am – 1:00 pm" is displayed

---

**Actual Result**

---

When hovering over the selected date, the tooltip with the provider's name and the time range "7:00 am – 1:00 pm" is not displayed (the tooltip with the provider's name and the time range "7:00 am – 1:00 pm" is displayed only after refreshing the page).
