

<b>ID</b>	TC-2.1	<b>Target Description:</b>	Scheduled Providers — displaying a single time value in 12h am/pm format after saving (single-time case)						
<b>Type</b>	Functional		<b>Priority:</b>	M					
<b>Pre-conditions:</b>									
1	The user is logged into the system at <a href="https://example.medicalcrm.com">https://example.medicalcrm.com</a> with the Admin role								
2	The user is on the "Calendar" page at <a href="https://example.medicalcrm.com/calendar">https://example.medicalcrm.com/calendar</a>								
3	The user has the "Edit Provider In Calendar" modal window open with a selected provider, date, interval, visit status, and location								
4	The "Start" field contains the value "7:00 am" (the value is selected but not yet saved)								
<b>Steps</b>									
Step		Expected result	Pass	Fail	Bug report ID				
1	Click the "Save" button	The modal window closes, and the general calendar with provider cards and the sidebar is displayed							
2	In the calendar, find the required provider's card and click the "Edit Provider Schedule" button (pencil icon)	- The "Edit Provider In Calendar" modal window is displayed. In the "Scheduled Providers" section, in the row of the required provider and the selected date, a single time value "7:00 am" is displayed (without a dash and without an End time).
