

**C50: TC-4.1 — Sidebar Mini Calendar Tooltip — displaying the Start time without End time in 12h am/pm format after saving when hovering (single-time case)**

Type	Priority	Estimate	References
Functional	Low	None	None
Automation Type	<b>Is Automated</b>		
None	No		
<b>Labels</b>			

**Preconditions**

1. The user is logged into the system at <https://example.medicalcrm.com> with the Admin role.
2. The user is on the "Calendar" page at <https://example.medicalcrm.com/calendar>.
3. The user has the "Edit Provider In Calendar" modal window open with a selected provider, date, interval, visit status, and location.
4. The "Start" field contains the value "7:00 am" (the value is selected but not yet saved).

**Steps**

<b>1</b>	Click the "Save" button	The modal window closes, and the general calendar with provider cards and the sidebar is displayed
<b>2</b>	Find the "Sidebar Mini Calendar" and hover over the selected date	Next to the selected date, after the provider's name in the tooltip, only the single time value "7:00 am" is displayed (without a dash and without an End time)
