

**C49: TC-3.2 — Provider Schedule Card — displaying the Start time – End time range in 12h am/pm format after saving (range-time case)**

| Type                   | Priority            | Estimate | References |
|------------------------|---------------------|----------|------------|
| Functional             | Medium              | None     | None       |
| <b>Automation Type</b> | <b>Is Automated</b> |          |            |
| None                   | No                  |          |            |
| <b>Labels</b>          |                     |          |            |

**Preconditions**

1. The user is logged into the system at <https://example.medicalcrm.com> with the Admin role.
2. The user is on the "Calendar" page at <https://example.medicalcrm.com/calendar>.
3. The user has the "Edit Provider In Calendar" modal window open with a selected provider, date, interval, visit status, and location.
4. The "Start" field contains the value "7:00 am", and the "End" field contains the value "1:00 pm" (the values are selected but not yet saved).

**Steps**

|          |  |  |
|----------|--|--|
| <b>1</b> | Click the "Save" button                            | The modal window closes, and the general calendar with provider cards and the sidebar is displayed |
| <b>2</b> | In the calendar, find the required provider's card | The "Provider Schedule Card" displays the time range "7:00 am – 1:00 pm"                           |
