BG-MG-1001.2 — The time value in the Sidebar Mini Calendar tooltip is displayed incorrectly

To Do ⌄   ⚡   ✳️ Improve Bug

Description

When saving a single Start time value, the time value in the tooltip inside the Sidebar Mini Calendar is displayed with an extra dash —
`"7:00 am-"` .

Environment

macOS Monterey 12.7.6, Google Chrome 142.0.7444.176

Preconditions

1. The user is logged into the system at `https://example.medicalcrm.com` with the Admin role.
2. The user is on the "Calendar" page at `https://example.medicalcrm.com/calendar` .
3. The user has the "Edit Provider In Calendar" modal window open with a selected provider, date, interval, visit status, and location.
4. The "Start" field contains a selected time value (the value is selected but not yet saved).

Steps to reproduce

1. Click the "Save" button.
2. Refresh the page.
3. Find the "Sidebar Mini Calendar" and hover over the selected date.

Actual result

Quickstart

After refreshing the page, the tooltip displays the time value with an extra dash: `"7:00 am-"`.

Expected result

Next to the selected date in the tooltip, only a single time value should be displayed (without a dash and without an End time).
